**No State Representative reported for these States**

Indiana - Michigan - Nebraska - Ohio

## SPECIAL INFORMATION

The Kansas Public Health Association has provided a Hospitality Room for your convenience. It is Room No. 1036, at the Hotel Jayhawk. If you care to rest a little while, play cards, visit with friends, powder your nose, comb your hair, change your clothes, have a cool, refreshing drink, Mrs. Margaret Paige and/or members of the Hospitality Committee will be there to welcome you.

(A note to the men: This is not limited to the ladies—you will be welcome too, but am afraid you will have to bring your own razor if you want to shave.)

If you need transportation, please leave word at the Registration Desk.

Be sure to attend the FRONTIER FROLIC on Monday evening, April 13, in Exhibition Hall (down stairs) in the Municipal Auditorium. The fun begins at eight o'clock. This will be an opportunity to become better acquainted with our co-workers in public health. Mr. Waldo W. Wilmore, a member of the K.P.H.A. executive committee, is chairman of this affair and will be on hand to greet you.

Governing Council of the Middle States Public Health Association will meet in Room 101, Municipal Auditorium, Monday morning, April 13, at 8:30, and again immediately after the last session Wednesday afternoon, April 15, in the Hotel Jayhawk.

*Be sure you renew your membership in the Middle States Public Health Association while in attendance at the Topeka meeting. Copies of the reports for this meeting will be mailed to the address we have on your membership card.*

*"Be sure to wear your badge at ALL sessions."*
